

Interactive Facts Quick Start

IKM's Interactive Facts are a collection of open-access, drill-down dashboards covering a variety of topics ranging from enrollment & graduation to faculty & staff.

View in Full-Screen

Click the **box icon** in the bottom right corner to view the dashboard in full-screen mode. To return to the original view, press **Esc** on your keyboard.

Navigating Tabs

Some dashboards contain multiple pages, which can be viewed by clicking the **tabs** below the title.

Using Filters

Use the filters (usually located on the left or top of the dashboard) to drill-down to the specified population. Click the **drop-down arrow** to see all possible selections.

Find Definitions

Click the **definitions icon** (usually located in the bottom left or upper right corner) to view additional information about the dashboard including definitions, update cycles, filter requirements, etc.
